## SENATE BILL

**No. 1553**

---

### Introduced by Senator Murray

February 23, 2006

---

An act to amend ~~Sections 660 and 9250 of~~ *Section 660 of, to amend, repeal, and add Section 9250 of, and to add and repeal Section 9250.1 of*, the Vehicle Code, relating to vehicles.

#### LEGISLATIVE COUNSEL'S DIGEST

SB 1553, as amended, Murray. Registration fee.

Existing law imposes a \$31 registration fee for the registration of a vehicle, as defined, or trailer coach of a type subject to registration under the Vehicle Code.

This bill would revise the registration fee, *on and after January 1, 2008*, for a vehicle or a trailer coach in accordance with a schedule that is based on a vehicle's unladen weight. The bill would exempt from the payment of these *increased* registration fees a commercial motor vehicle with an unladen weight of 10,000 lbs. or less that is required to pay specified unladen weight fees. The bill would require the Department of Motor ~~Vehicle Vehicles~~ to deposit the amount of the fee collected in excess of \$31 into the State Highway Account in the State Transportation Fund for the repair of existing highways *pursuant to the State Highway Operation and Protection Program*. *The bill would authorize the department to retain from the increased registration fees in 2008 an amount to pay for the department's*

*administrative and computer programming startup costs in implementing the fee schedule.*

This bill would make a conforming change.

Vote: majority. Appropriation: no. Fiscal committee: yes.

State-mandated local program: no.
